

# Topic Brainstorming Worksheet

**Directions:** Pick a subject for your eBook and use these questions to research your topic.

## Initial phase

Write a description for what we are studying:

---

---

---

Describe the essential components:

---

---

---

What are the other issues surrounding your topic?

---

---

---

## Second phase

Are there any terms or definitions needed to explain this issue?

---

---

---

How did your topic come into fruition?

---

---

---

What is your personal connection to the issue?

---

---

---

“Write local, think global”– William Sargent. What is the global perspective?

---

---

---

## Third phase

What lens are you viewing this topic through?

---

---

---

What do you want your students to get out of this?

---

---

---

## Fourth phase

What questions do you think your students may have? Prepare answers.

---

---

---
